PRESIDENT'S MESSAGE
MARCI SPITZNAGLE, UNMISTAKABLY SIMPLE
PRESIDENT

I'm not sure about you, but I left our November meeting reflecting a lot on my communication style and how to use the tools we learned to communicate with not only my customers, but with family during the holidays! Gives a whole new meaning to "pass the potatoes."

I am grateful to have the opportunity to work with our organization to raise funds for Heartford House and our Angel Tree for the Scholar Home.

Take a moment to think of the impact we are making.

At 211 degrees, water is hot.
At 212 degrees, it boils.
Boiling water produces steam.
Steam can power a locomotive.

How can you be the one degree to make a powerful impact this holiday season?
