PRESIDENT'S MESSAGE

MARCI SPITZNAGLE, UNMISTAKABLY SIMPLE PRESIDENT

After talking about time management and email in May, I did a lot reflecting. I realized that it is OK that I don't return my emails or text messages right away. I gave myself permission to turn off notifications for email, and it has been the most freeing feeling.

As we head into summer, I am really excited about our upcoming Summer Social on Tuesday, June 13. This is an opportunity for our organization to showcase who we are and why women business owners in our community want to be a part of our group. As we are heading into celebrating our 40th year, I am in awe of everything we have accomplished. As we continue to grow we are only going to be better. I look forward to seeing each of you there in June.
